TIMOR SEA

This map shows the Timor Sea with a grid of latitude and longitude lines. The sea is labeled 'TIMOR SEA' in blue capital letters. The coastline is shown in black. The map includes a scale bar at the bottom right indicating distances in kilometers (0, 100, 200) and miles (0, 100). The map also shows the location of the Timor Sea relative to the Australian continent and the Indonesian archipelago.
