Geological Survey of Western Australia products 2007–08: books, maps, and data packages

This package contains PDF files of Geological Survey of Western Australia books, maps, and references to data packages published from 1/7/2007 to 30/6/2008.

Products can be accessed using the Search Products function provided, or by selecting the desired file from the Products directory.

Plates not sold separately to their accompanying book are not presented as a separate PDF. Only references to data packages are provided as they are too large to be distributed on this CD.
