

LEGEND

- Abandoned well, dry
- 40 Depth to mapped horizon, metres
- Fault
- 200m isobath
- H, L Structural high, structural low

Cartography prepared by Surveys and Mapping Division.  
The reference for this map is: Luck, G.R. (compiler), 1991. Precambrian Basement, Structure - Depth  
BREMER BAY 1 : 250 000 Subsurface Compilation Series. Geological Survey of Western Australia.

PRECAMBRIAN BASEMENT  
STRUCTURE - Depth

Contour interval 200 metres  
Datum MSL

1 : 250 000 SUBSURFACE COMPILATION SERIES
